

Promoting LearningExpress Library™ 3.0 to your LearningExpress Library™ 2.0 Users

LearningExpress Library™ 3.0 Splash Screen

For institutions with active subscriptions to both LearningExpress Library™ 3.0 and LearningExpress Library™ 2.0, we have created an HTML splash page to let 2.0 users know about the release of LearningExpress Library™ 3.0. This page will let your users know that they can choose between using LearningExpress Library™ 3.0 and returning to LearningExpress Library™ 2.0 to continue existing work.

To set up this splash page, your webmaster must modify the source HTML file to include your institution's custom links to LearningExpress Library™ 3.0 and LearningExpress Library™ 2.0. For further assistance, please contact LearningExpress Customer Service at libraries@learningexpressllc.com or call 800-295-9556, Ext. 2.

2. Unzip the file *LearningExpress Library 3.0 Splash Screen.zip*
3. There are three links on the splash screen:

- A. Your custom link to LearningExpress Library™ 3.0
- B. Your custom link to LearningExpress Library™ 2.0

- C. Your custom link to LearningExpress Library™ 2.0
4. Open the HTML file, *lel-intro-splash.html*, in an HTML editor or a text editor
 5. The three links above are already coded, but instead of the proper URL, the links contain the placeholder text “QWERTY”
