Promote PrepSTEP on Your Website

**Link from your homepage or electronic resources page**

Place the PrepSTEP link and a brief description in a prominent place on your website—your homepage, if possible—so your students will have easy access to these great resources. You can also post individual learning centers, which is perfect for promoting your special events like career night workshops or college admissions prep nights.

Placement Test Preparation
Taking the time to prepare for college placement tests is the smart way to improve your scores and reduce the likelihood of being assigned to developmental courses.

ACT® and SAT® Test Preparation (2-Year College Edition)
Students advancing to four-year degrees will be well-prepared for the college admissions tests using the resources in this center, which include practice tests that simulate the official exams, tutorials, eBooks, and flashcards.

High School Equivalency Center (2-Year College Edition)
Earning a high school equivalency credential can open the door to better income, a more fulfilling job, and a college education. If you are preparing for the GED® test or HiSET® or TASC exams, our practice tests, interactive tutorials, and eBooks will help you reach your goal.

Grad School Admissions Preparation (4-Year College Edition)
Prepare for the most popular graduate school entrance exams with authentic test practice for the GMAT®, GRE®, LSAT®, MAT®, and MCAT®.

Recursos para Hispanohablante
Resources for Spanish Speakers (English Translation)
This center provides students with resources in Spanish to improve their basic skills, earn a GED® credential, or become a U.S. citizen.

Computer Skills Center (Available as an add-on to PrepSTEP)
Video courses are the fastest and easiest way to learn how to use a computer. Use the materials in this center to learn the basics of computers, from searching the Internet to using popular programs for word processing, creating spreadsheets and databases, implementing design, and more.

Job & Career Accelerator™ (Available as an add-on to PrepSTEP)
Whether you’re looking to find a new job in your current field or pursue a career in an exciting new industry, Job & Career Accelerator™ has the powerful tools and expert guidance to help you through every step of the process.

College Success Skills Center
Build the foundational skills that are vital for success in college and in life. This center covers topics such as time management, multitasking, study skills, information literacy, personal success skills, and more.
